

Senior Interior Designer - Full Time

Job Description

You will lead and manage multiple projects from discovery through concept and design development, drawing and specification packages for permits, pricing and construction and contract administration. You will manage the entire process of selecting, procuring and installing furniture, art and accessories as well as prepare homes for client move in and photographing for international publication. You will work closely with a principle and the rest of the design team.

Skills Required

- Bachelor or Masters Degree, preferably in Interior Design or Architecture **(Mandatory)**
- Minimum 8 years work experience in **private home** Interior Design **(Mandatory)**
- 5+ years leading projects including budgets and schedules **(Mandatory)**
- Working knowledge of BC Building Code & Vancouver Building By-Laws **(Mandatory)**
- Software proficiency: Vectorworks, Rhino, MS Office, Photoshop, Adobe, database programs **(Mandatory)**
- Driver's license and access to car (car share membership, etc.) **(Mandatory)**
- Experience working with luxury products, details and projects
- Experience working with clients who are at the top of their game
- Experience managing and producing drawing and specification packages for client presentation, permit and construction
- Experience with contract administration and co-ordinating construction details with contractors, trades and suppliers

We Are (and we hope you are too...)

- Highly personal in our approach to creating inviting spaces for our clients
- Impeccably attentive to details
- Organized and able to manage several projects simultaneously
- Articulate communicators – spoken, written & visual
- Proactive, entrepreneurial, and solution oriented
- Comfortable working independently and collaboratively
- Curious – about design and people, and how they impact each other
- Excited about working in a progressive, globally minded design practice
- Quietly confident, showing deep respect for the trust our clients place in our work

Please email CV & Portfolios including a drawing package (under 10 mb please) to chad@falkenreynolds.com with "Senior Interior Designer - Your Name" in the subject line. Due to the number of applications we receive only those selected for an interview will be contacted. Thank you for your interest in Falken Reynolds.
